Re: Ex Parte Meetings in WC Docket No. 03-211 (Vonage)
WC Docket No. 03-266 (Level 3)
WC Docket No. 04-36 (IP-Enabled Services NPRM)

Dear Ms. Dortch:

On September 20, 2004, the Voice on the Net Coalition, represented by David Svanda, VON Coalition Consultant; Jim Kohlenberger, VON Coalition Executive Director; Glenn Richards, Shaw Pittman; Rick Whitt and Kecia Lewis, MCI; Rogena Harris, Teleglobe; Jonathan Askin, Pulver.com; Marilyn Cade, AT&T; Praveen Goyal, Covad; Margie Dickman and Peter Pitsch, Intel; Brita Strandberg, Skype; Robert Koppel, Texas Instruments; Ray Paddock, Intrado; and Staci Pies, Point One; and the National Emergency Number Association, represented by Roger Hixson and Stephen Seitz, met with FCC Commissioners Kathleen Abernathy and Kevin Martin, and legal advisors Chris Libertelli, Dan Gonzalez, and Matt Brill. At the meetings, the VON Coalition and NENA described the progress the groups have made since signing a Memorandum of Understanding in December 2003 concerning the provision of 9-1-1 and E-9-1-1 services by VoIP providers. In addition, the VON Coalition members expressed their support for the Vonage Petition and a finding that broadband voice services are subject only to interstate jurisdiction. In addition, the VON Coalition expressed its support for granting the Level 3 forbearance petition. Please direct any questions regarding this matter to the undersigned.

Very truly yours,

Glenn S. Richards
